The Year in Retrospect

A review from the President

I would like to begin my review of the past year with the closing of my acceptance speech. I quoted “Volunteers aren’t paid, not because they are worthless, but because they are priceless”.

Thanks to our dedicated members our BookMobile is now a great success. The “Kiwanis Saturday” morning reading is enjoyed by more and more children. Through our volunteerism we make an impact and enhance the reading skills of our young readers. We received raving praises from Ms. Martin, Principal of George Town Primary School, on our programme. She said that she has seen an increased interest and attitude, and in some instances, improved test results.

Our new Corporate Sponsorship resulted in seven companies who contributed a total of CI\$8,870 to our Club. As a result on an increase in awareness what our Club does for our community I am sure that we can expand the number of corporate sponsors in the next year.

Our BAKB project has now grossed over \$115,000 since its beginning in September 2006. This is a remarkable feat for our small Club. Despite the difficult economic situation in Grand Cayman, our Club raised well over \$22,000 this year alone for the BAKB project.

As your outgoing President I look back at a successful year made possible by so many devoted Kiwanians. We had great fun with our Luau dance event which gave

me an opportunity to show my Polynesian dance moves.

I am also very pleased that some of our signature events like Buy-a-Kid-Breakfast and the BookMobile received a lot of coverage in the local media. And let us not forget our KiwaniBike, the longest running annual fundraising event in Cayman.

We have also started a new project, Calle Ocho Cayman, that promises to be a fundraiser not seen before. A lot of work will need to be put into it in order to make this fundraiser a success. I am confident that our Club can handle this challenge.

I am very pleased that Monique has accepted the Presidency of our Club for the year 2011-2012. I am also delighted that Kadi has accepted the position of President-Elect. These two very talented young ladies will, no doubt, enrich our Club with new ideas now and in the future.

Monique has shown already her excellent organizational and promotional skills and Kadi is now in full swing organizing our 4th Key Leader weekend.

I am confident that under our new leadership our Club will further blossom so that we can continue serving the children of the Cayman Islands.

Thank you,
Wiekert Weber

Breaking News

Breeze Fusion Walk/Run to benefit the BookMobile

Breeze Fusion is a Charity Run/Walk which will take place on the 5th November 2011. "Half of the proceeds always go to NCVO", said Paulette Connolly of Radio Cayman, "and the other half goes to a youth project and this year we have chosen the Kiwanis Book Mobile Program. The event is organised by **Breeze FM** (244-2136 / 244-2183 / 244-2193) & **Phoenix Athletic Club** (945-3970) either of whom you can call to register for the walk. Kiwanians will also help with registration and other tasks during the event.

KiwaniBike 2011 funds

At the last board meeting of his 2010/11 year, P. Wiekert signed off on the use of funds raised from KiwaniBike 2011. Primary beneficiaries will be our Key Clubs and Cayman Hospice Care (CHC). For those members not familiar with CHC, it provides high quality residential care to terminal cancer sufferers. We will again be partnering with other sponsors to raise funds for a much needed bus for transportation of patients to and from treatments.

Special Olympics Bus Handover

On September 2nd, P.P. Elaine and other Kiwanians were on hand at The Crescent, Camana Bay, to take part in the handing over ceremony for a bus to be used by Special Olympics.

P.P. Elaine and K. Mary McCallum were instrumental in raising the first sizeable donation for the bus through the annual Kiwanis Golf tournament in 2009. Other donors chipped in, but the majority of the funds were raised

by Derek Haines in a sponsored run in the 2010 CI Marathon.

Prior to receipt of the new bus, the Special Olympics athletes had to depend on a very old bus subject to breakdowns or the bus from the Sunrise Adult Training Centre. The new bus will ensure trouble free operations for some time to come.

Our congratulations to Derek and other sponsors. And our best wishes to Cindy, wife of

recently deceased Erik Crutchley, who was the instigator of the bus project. Toni Johnson of Special Olympics Cayman Islands noted that the project was truly a community effort and very much within the type of thing that Special Olympics does. "We depend a lot on the goodwill that we get from the community, from our sponsors, from our families, and all of us work together to do the best for our athletes."

Kiwanis

There is a suggestion a children's' antfew is necessary.

The cartoon shown above appeared in the Caymanian Compass in 1994. It was drawn by cartoonist Judy Steele, wife of then KCGC member Erik Steele. It also appears that what goes around, comes around...

Fun'd'raisers—the social side of Kiwanis

This year has seen something of a return to social events as vehicles for raising money for the Admin fund. As you will remember, community funds cannot be used for any club administration purpose. Therefore we must raise funds to cover our cost of internal operations from within our own resources. P (Party animal) Wiekert, pictured left with club volunteer Jenny Spalek, are seen dancing up a storm at the Hawaiian Evening at Stingers. This was followed up by a comedy night out. Many members would like to see a continuation of this with an external event every couple of months and no more than one "business" lunch meeting per month.

Moral authority is never retained by any attempt to hold on to it. It comes without seeking and is retained without effort.

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

- To give primacy to the human and spiritual rather than to the material values of life.
- To encourage the daily living of the Golden Rule in all human relationships.
- To promote the adoption and the application of higher social, business, and professional standards.
- To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.
- To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
