

The Kiwanis Club of Grand Cayman

Kiwanis news

Celebrating our 40th Anniversary with a Keeper edition of K-News!

The Kiwanis Club of Grand Cayman has been a part of the Cayman Islands since February 27th 1975 and has been serving the community since its inception through various projects with a focus on children. This year our club celebrates its 40th anniversary while Kiwanis International celebrates its 100th anniversary!

Tonicia Williams

Historic Highlights

Forming part of the **Kiwanis Florida District**, our club has produced two fine Lieutenant Governors - **Ernest (Ernie) Foster** (1986/7) and **Rufus Stoy** (1988/9). Like all clubs in the **Kiwanis International** family, we are a group of volunteers trying to improve the world one child and one community at a time. Our major emphasis is the support and protection of children in any way that we can.

Our oldest project, Santa Landing - the official start of Christmas - was started by **Uncle Bill** (McTaggart), was sponsored by the **Kiwanis Club of Seven Mile Beach** for some years and was taken over by our

club when KCSMB closed. It has been running for more than 35 years and is the longest running annual charitable event in the Cayman Islands. Another of our major fundraising events, our annual **KiwanisBike**, started in 1981 and has been supported by local celebrities and biking enthusiasts for the past 33 years.

Originally, the club admitted only men interested in community service. This changed however in 1989 when the first women were accepted into the club as full and equal partners - the first service club in Cayman to do so.

(Continued from Page 1...)

Kiwanis Past President **Fay Anne de Freitas** recalls, "*I first joined the Kiwanis family as a Kiwanianne in 1987. When the Kiwanis allowed the male and female clubs to be combined, we approached the Kiwanis Club of Grand Cayman who agreed, thus resulting in the members of the Kiwanianne moving to the Kiwanis Club of Grand Cayman. As Past President of both the Kiwanianne and the Kiwanis Club of Grand Cayman I'm delighted to be a part of the great projects the club contributes to the community such as Buy A Kid Breakfast, the Book Mobile and Santa Landing. Congratulations to Kiwanis Club of Grand Cayman on their 40th Anniversary.*"

Kiwanis built the **Light-house School Therapy wing** at the old Lighthouse School, beside the Pines. It was dedicated to the late **Gail Aiken** ("Gail Aiken Therapy Wing"). The project cost approximately \$40,000 and was completed in 1987 when **Edward Hessing** was President. It took some years to save for so was something that Kiwanis was very proud of.

In 1989, the Kiwanis Club's teen nightclub project, **Graffiti's**, won the prestigious Single Project Diamond Award for community service.

Life Member and Past President **Roger Bodden** joined the Kiwanis Club of Grand Cayman in August 1987 and has since stayed active chairing the **Sponsored Youth** committee and serving on the Board of Directors for many years, having also served as Treasurer. When asked how he got involved in the club, he said, "I had just moved to Grand Cayman and was staying with a cousin who was a founding member; he invited me to a meeting. I immediately recognized the dedication of this group, and their friendly and welcoming approach sold me on joining. The Kiwanis mission of helping the children of the world, one child and one community at a time is an important one to me."

When asked about some of his best Kiwanis memories, he wrote, "All the funds we have been able to donate to help the children of our community, from health and medical services to recreation, safety, and sports, and good citizenship. Young children are priority one for Kiwanis and I've been especially enthused to be a part of such an organization that provides the generous support and donations we have provided to our community".

He noted that over the years our Key Clubs have had over 2,500 members and many of them I have seen go out into our community and now provide the altruistic services that Kiwanis instilled in them.

Many years have passed and Roger remembers "the fishing, golf and soccer tournaments as well as the Male Sale and trips that were made representing the club... We went to Providenciales in the Turks and Caicos Islands to sponsor a new Kiwanis Club there and once we got

them meeting, we went back for their first installation dinner - back in 1991, when I was president. They then went on to sponsor a new Key Club. Through Kiwanis I have made so many friends from all over the world."

Kiwanis Immediate Past President for 2014-2015, **Kadi Merren-Pentney** has officially been a member of Kiwanis since 2010. She states, "I became a part of the Kiwanis family in 2001 when I joined Key Club at Triple C. Key Club taught me so much about the importance of community service and truly did help shape who I am today. When I was Lieutenant Governor of the five Key Clubs in Cayman, the Kiwanis Club sponsored me to go to training's in Florida where I represented Cayman and always came back with more insight on how I could improve our island. Cayman's youth are so blessed to have community service clubs like Kiwanis that focus on helping them achieve their goals and become leaders in their

(Continued from Page 2...)

community. I am so proud to be a member of Kiwanis and so excited that we are celebrating a huge milestone of 40 years; I'm looking forward to the next 40 years of service to Cayman's children!"

Roberta Porter is one of our club's newest members, having been inducted just under a year ago. She states, "I have loved every moment of it! I remember my first time attending Bookmobile, one of our service projects. It was a day when coincidentally all the seasoned members were unable to attend and we didn't even have the Bookmobile trailer there. Volunteers consisted of about six newly joined Kiwanians, the principal of George Town Primary, **Ms. Marie Martin** and a bunch of boisterous kids. Organising the children to get the books from the school library and actually getting the kids to sit down and read turned out to be somewhat of a pandemonium but at the same time it was fun, fun, fun! I knew immediately I had found my niche in terms of a service activity that was just unpredictable enough to be truly enjoyable and

served a crucial and meaningful role in the community. I love Kiwanis and I love working with kids! I can't wait to be involved with our special activities commemorating Kiwanis' 40 year presence in Cayman. Hoorah to 40 more years of sharing the love of humanity in Cayman."

For the past few years **Sue**

Day has been, "extremely proud to be a member of the amazingly dedicated Cayman Islands Kiwanis 'family' who have a fun and can-do attitude." She expressed that, "I enjoy helping with the wide range of projects which are generously supported by the local community as they focus on children and teenag-

(Continued on Page 4...)

ON JANUARY 21st 2015, KIWANIS TURNED 100...

What began as a businessmen's club founded to enhance trading opportunities for its members through an early 1900's version of networking, drifted into community service, purchased itself from its founders and became one of the world's most prolific service clubs, spending more hours on community service each year than the next four clubs combined. Be a part of the next 100 years of service to the community and particularly to the children of the world. Sponsor your local Kiwanis Club, become a Corporate Member or encourage your staff to become members or volunteer...

"You have not lived today until you have done something for someone who can never repay you."

— [John Bunyan](#)

(Continued from Page 3...)

ers and improving their lives in many ways. My favourite project, and the main reason why I initially became a member, is the [BookMobile](#) as it's wonderful to give access to books and reading to children who may not ordinarily have such access and to read with them on a one to one basis. It really does make a difference. The fact that 100% of all donations go straight to our Kiwanis projects is fantastic too."

Our club uses many tools to make a difference. In the late 80's and early 90's we presented six comedy plays at the **Harquail Theatre** and later at the **Prospect Playhouse** raising some \$110,000 thanks to the assistance of the fine actors from Kiwanis and the Cayman Drama Society.

One thing that all members from past to present can agree is that through the Kiwanis Family they have been able to provide altruistic service and the rewards are multiplied to those who have done good deeds out of the goodness of their heart, expecting nothing in return.

Current Projects and Fundraisers

We run the [BookMobile](#) at George Town Primary every other Saturday from 10am-12pm where Kiwanians and volunteers read with the students to assist them in improving their literacy.

Through our [Buy a Kid Breakfast](#) program we provide breakfast for those in need at eight schools on island. The program is funded through grocery store collections and an annual [Breakfast for Dinner](#) fundraiser which is held at the Marriott.

We also sponsor Key Club, which is the high school equivalent of Kiwanis at five high schools as well as a [Builders Club](#) for primary students at [St. Ignatius](#) and a Circle K for college students at the [Truman Bodden Law School](#). These clubs are completely student led organizations and encourage students to start participating in community service from a young age.

Each year, we host [Key](#)

[Leader](#), a weekend retreat at the Saint Ignatius Loyola Hall for students aged 14-18 which focuses on developing Servant Leader skills.

At the beginning of each year we organize [KiwaniBike](#) a 20 mile ride in aid of our Key Clubbers' projects and training.

We are also proud to work with Kiwanis International in supporting the [ELIMINATE](#) Project where together with UNICEF we're fighting to eliminate Maternal and Neonatal Tetanus, which steals the lives of one baby, every eleven minutes.

Each December Santa, Mrs. Claus and his elves come round to give out presents to hundreds of children where we offer a free day of face painting, popcorn, cotton candy,

sno-cones, a bouncing castle and a clown for the children to enjoy at the official start of Christmas, [Santa Landing](#) - the longest running annual charity event in the Cayman Islands.

We also encourage primary students to continue to improve on their grades with our [Bring Up Grades \(BUG\)](#) program at two of the primary schools, [First Baptist](#) and [John A Cumber](#).

In 2014 we joined forces with the other service clubs to start an awareness campaign for what can be recycled and where in Cayman. For more information visit www.joinin.ky.

Certificate of a Kiwanis Club in Formation

VALID AND IN EFFECT UNTIL
JUNE 17, 1974

JOHN V. BORDEN
JOHN MUSTIN JR.
HARRISON JAY HARGROVE
ROBERT S. HOWIE
PETER JOHN ISBELL
W. DOUGLAS ROSS
JAMES O. SMITH

THIS is to acknowledge that at least TEN men of good character and community standing whose names appear on this CERTIFICATE have petitioned KIWANIS INTERNATIONAL to direct the organization of the proposed Kiwanis Club of

GRAND CAYMAN, CAYMAN ISLANDS, B.W.I., and that by so affixing their signatures to said petition, they have assumed the obligation to become active members of the proposed club when it is founded.

Upon the signing of this Certificate by its President and Secretary, Kiwanis International does herewith declare that it shall direct the foundation of the proposed club, maintaining contact with it in the meantime and extending all possible assistance, providing that the petitioners do not, within a period of three months, expand their numbers to the required minimum of twenty members, and providing that evidence is given of the completion of other requirements that shall be outlined; and upon the fulfillment of such provisions, Kiwanis International shall direct that the organization of the club be held, and shall issue a CERTIFICATE OF ORGANIZATION, pending the presentation of an official CHARTER.

Visiting Florida Kiwanians and Key Club Spring Zone Rally

Over the weekend of March 13th -15th Kiwanis District Governor and First-Lady, District Administrator, Zone Administrator and Kiwanis Club Secretary for Kiwanis of South Dade and Key Club District Governor, Lauren McAlister visited Cayman to attend the Key Club Spring Zone Rally on the 14th. Kiwanians and Key Clubbers treated them to dinner and various other activities over the weekend.

The Spring Zone Rally was well attended and the new Lieutenant Governor for all five Key Clubs in Cayman, Beatriz Bueno Dorea, Triple C School, was chosen. Beatriz went on to attend Key Club DCON.

Kiwanis launches BUG Bring Up Grades program at the Sir John A Cumber Primary School

The students at the Sir John A. Cumber Primary School love BUGs now that the Kiwanis Club of Grand Cayman has started a new program at the school called Bring Up Grades or as the students know it, the BUG program. "I am very excited to welcome the Kiwanis's Club to the school. We are certainly happy that they've decided to involve themselves directly with our children's education and we look forward to a long and productive relationship with the Club," says Principal of Sir John A. Cumber, Mr. Joseph Wallace.

Each reporting period students from Year 3 are recognized for increasing one level in Math. Bring Up Grade recipients are placed on the BUG Honor Roll and receive an award certificate at the BUG Recognition party hosted by the Kiwanis club.

"The beauty of the BUG program is that it encourages students to focus on making one small accomplishment at a time. When a child reaches his/her self determined goal, it promotes a sense of accomplishment which motivates them to continue achieving," says Kiwanis Club President Tonicia Williams.

There may be students that do not raise their grade level during the term, but provide outstanding support to classmates who then achieve their goals. These individuals are honored as Super BUGs for going above and beyond to provide support and assistance.

To learn more about this unique program visit the Kiwanis Kids Web site at: www.kiwaniskids.org.

K Family Fun Day

On May 18th Kiwanis hosted a K-Family Fun Day at the Seven Mile Beach, the first since 2010. This day brought together members from our 5 Key Clubs (high school), Circle K (Law School) and Kiwanians for a day of games, food and fun in the sun!

Kiwanis chosen to take part in Island Heritage Charity Drive

Kiwanis was chosen as one of the three Charities to take part in Island Heritage's Charity Drive 2015. The other two charities were Save our Youth and Canine and Feline Friends. We were extremely excited to be taking part. Our designated day was April 22nd 2015 and Kiwanis members and volunteers were out in their numbers to support at the various roundabouts. We also received support through Facebook likes and twitter mentions from family, coworkers and friends here and overseas. Many from our sister club in the Florida District supported via social media.

Kiwanis is extremely grateful to have received a cheque for 10,000 at the big reveal on Daybreak which aired on April 24th. In the end Canine and Feline friends were awarded with the additional 5,000 as they had the most volunteer and social media support.

We appreciate being afforded this opportunity by Island Heritage and this donation will be used towards the cost of our annual Key Leader Weekend which is scheduled to take place on September 25th – 27th 2015.

Kiwanis Sponsors Child Month Activity – Cupcake War

On April 25th the **Cupcake War** took place in Cayman Brac and our President Elect Daniella McGowan was invited to judge! She stated “Kiwanis is proud to sponsor this event, encouraging creativity and camaraderie!”

Because of the financial contribution from Kiwanis, **Team Nouveau** from Cayman Brac was able to take part in the event this year. **Cupcake Angels** won the finals for the Cupcake War held on May 30th at the Ritz Carlton .

UBS Volunteer Day

While other banks were enjoying a lovely Monday off due to a US holiday on May 25th, staff from UBS decided to spend their day volunteering with the Kiwanis Club for the day! What better way to kick-start the week off than by rolling their sleeves up and putting in some extra time with the kids of our community!

The day started off at St. Ignatius Catholic School where UBS staff volunteers sat under the shade with groups of students ranging from reception to Year 4 reading books from the Kiwanis Book Mobile library. UBS volunteers along with Kiwanian **Paul de Freitas** encouraged children to select books that they would like to read or have read to them.

Volunteer **James Yonge** said *"It was great interacting with the kids and helping them develop their reading skills. I was most impressed with the level at which they were reading and inspired to spend more time reading with my child."* The steady flow of enthusiastic young readers was impressive thanks to the commendable staff and teachers who were so very accommodating and just as excited that UBS had decided to bank on reading! Principal **Veronica Heffernan** said *"The*

children of St Ignatius Catholic School enjoyed the luxury to being read to, and reading to reading enthusiasts from UBS! The Bookmobile parked up, and opened up a whole range of books and volunteers for the morning. The children read to the volunteers who in turn read to them, all sharing a love of books and stories. We hope that UBS and their great staff will come again, perhaps a new chapter in school partnerships. Thank you UBS." What a pleasure it was to see how fun and rewarding promoting literacy can be when we all take some time to work together!

After a morning filled with reading, UBS volunteers wanted more! Later in the afternoon, they made their way to Triple C School where they assisted teenage Key Clubbers with their "Key to STEM" event. A fun, educational and interactive event geared towards elementary students to promote **Science, Technology, Engineering and Mathematics**. It was refreshing to have new volunteers dedicate time and guidance at a project organized by our Key Clubbers! Key Club Lieutenant Governor **Beatriz Bueno Dorea** said *"It was incredibly rewarding to be able to*

provide an exciting event of STEM for the younger generations alongside great leaders."

The Kiwanis Club was thrilled to work together with UBS on such a great initiative and look forward to partnering with their lovely staff on future projects!

UBS coordinator **Jessica Deegenaaars** said *"It was an absolute pleasure partnering with the Kiwanis Club of Grand Cayman for our very first UBS Volunteers day. Firstly, the Book Mobile impressed not only us, but the children and teachers at St Ignatius School. There was a buzz around the lovely shaded school yard as we interacted with children from prep right through to year four. And then the Key Club - wow! When the five clubs came together for Key to STEM event, we were amazed to learn that the program was student lead and that the 20 science experiments had been created by the students. It was refreshing to see so many students of different ages enthused and amused by educational fun. That being said, I'm not sure who had more fun; the students or the UBS employees? An excellent day spent with our younger community members."*

Thank you UBS for caring...

Marie Martin retires

Miss Marie Martin has decided to retire as of the end of the summer term at George Town Primary School. It is difficult to think of the school without thinking of Miss Marie and in particular her contributions to making the Kiwanis BookMobile a success in the school and a Saturday home-away-from-home for so many kids.

On Saturday 27th June 2015, Miss Marie attended her final Kiwanis BookMobile as Principal and, on behalf of the Kiwanis Club of Grand Cayman was presented with a commemorative clock by Kiwanian Venesha McLean acting for project chair PP Paul de Freitas who could not attend since he was recovering from major surgery.

The event was a double celebration as an end of year party was held for all of the young readers who make the BookMobile their library of choice every second Saturday through the year. A problem with the sno-cone machine meant that cups and a juice-over-ice drink was a good substitution along with a cake provided by President Tonicia.

Miss Marie has made it clear that retirement holds no fears for her and allows her to spend more time actively involved with and promoting the Kiwanis BookMobile programme.

The Kiwanis Club of Grand Cayman salutes Miss Marie for her work with all of the young people who have passed through George Town Primary including many younger Kiwanis

Kiwanis

Read Around the World

members.

We look forward to her continued work with the BookMobile, either as a community volunteer, or if we can persuade her, as a fully fledged member of the Kiwanis Club of Grand Cayman. We can think of no person who better exemplifies Kiwanis care for children and we would welcome her in any way she wishes to help our club with its objectives.

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

- **To give primacy to the human and spiritual rather than to the material values of life.**
- **To encourage the daily living of the Golden Rule in all human relationships.**
- **To promote the adoption and the application of higher social, business, and professional standards.**
- **To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.**
- **To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.**
- **To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.**
