Daniella McGowan
President 2015-16

Celebrating 2014/15 and setting up for a great Kiwanis 2015/16 !

The Kiwanis Club of Grand Cayman has been a part of the Cayman Islands since February 27th 1975 and has been serving the community since its inception through various projects with a focus on children. This year our club celebrates its 40th anniversary while Kiwanis International celebrates its 100th anniversary!

Incoming President Daniella A New Year

The Kiwanis Club of Grand Cayman installed its new officers and board members for the 2015-2016 year over brunch on Sunday, October 4, 2015. Held at Agua, the event brought together Kiwanians, their families and friends, as well as representatives from other local service organizations. I officially joined the Kiwanis family back in March 2012 and the thought of one day being appointed as President most certainly did not cross my mind, not even by a long shot! Today I am honored to be installed as President and to serve our community and children alongside a group of some of the most dedicated and passionate people. I'm excited and enthusiastic about beginning a new journey with you all for the next year!

I first heard about Kiwanis from my colleague Elsy Adapa (aka Alexandra Adapa). She was always asking me if I wanted to join her for some lunch meeting with her club over at Britannia. At first I brushed her off gently, I was definitely not a club person and my lunch hours were sacred. But she was persistent, and every week the same question came – “Do you want to join me this week for lunch with my Kiwanis club?” I eventually decided to entertain her and asked “What is this club about?” and to my surprise, it turned out that this Kiwanis club was all about something that I have always

been passionate about – children. Although I could have thought of many more “reasons” to be unavailable to join her for lunch my curiosity about these programs for kids wouldn't let me decline yet again so I accepted her invitation. That is where my journey first started, all thanks to a passionate and dedicated member who truly believes in the values, programs and growth of Kiwanis.

I have to tell you, Elsy is still on a roll with her lunch meeting invites! Two of my colleagues who are soon to be installed as official members in the next few weeks are proof of that! Elsy, thank you for not taking no for an answer and for sharing your Kiwanis family with me.

My last year with Kiwanis has been spent in the role of President Elect alongside outgoing President Tonicia. We met a few years back through my best friend whom she attended university with back in England. I always thought she was a cool chick and she proved my theory correct when she reached out to me about learning more about Kiwanis. She had just returned home from studying overseas and wanted to get involved in the community. As a past Key Clubber, she was drawn towards learning more about Kiwanis and our projects. I quickly jumped at my opportunity to reel her in and invited her to a lunch meeting – Elsy had taught me how to do this so

well that she accepted and came! She quickly became an official member and was installed as President in 2014. Tonicia has been an inspiration to me as she accepted this role after just being called to the bar and officially starting her new career in the Legal system which as I'm sure you all can imagine comes with a fully packed agenda already. Her passion, determination and commitment to Kiwanis remained intact throughout this past year and as I reflect over all that we have achieved over this past year I am so proud to have been led by her. Thank you Tonicia for being an exemplary example of strength and perseverance and I look forward to working closely with you again this year.

Outgoing President Tonicia was presented with the President's Award for her outstanding leadership during her presidency.

To the new board – Martina, Nicola, Linda, Ruud, Martin, Kadi, Marnu & Clement – I am excited to start working with you all and cannot wait to see what we come up with for this new year. Together I know that we will serve the children of our community well. Thank you for accepting your roles and dedicating your time and resources.

Other service club representatives, I am excited to build stronger relationships with each of you as I know that together we are capable of achieving great things for our community. Please know that Kiwanis is always

here to support you as fellow members of service and let us not forget that we are all striving for the same thing; to better serve and build our community for today and tomorrow.

To my family and friends, thank you for providing me with a stable and strong support system. Each and every one of you has contributed in some way to me getting where I am today. I cannot thank you enough for your support and words of encouragement when I am feeling overwhelmed and doubtful. To my daughter Gianina, who is my main inspiration, thank you for reminding me of how innocent and deserving every child is of our time and dedication. For you, I commit to helping build a better and stronger community.

ON JANUARY 21st 2015, KIWANIS TURNED 100...

What began as a businessmen's club founded to enhance trading opportunities for its members through an early 1900's version of networking, drifted into community service, purchased itself from its founders and became one of the world's most prolific service clubs, spending more hours on community service each year than the next four clubs combined. Be a part of the next 100 years of service to the community and particularly to the children of the world. Sponsor your local Kiwanis Club, become a Corporate Member or encourage your staff to become members or volunteer...

Immediate Past President Tonicia Looking Back

It was a great honour and privilege for me to serve as your President; and despite a number of challenges, it was reassuring to have the support of dedicated Kiwanians. I would like to take this opportunity to say a special thank you to Daniella, Ruud and Kadi for their time, advice and efforts despite their busy schedules.

This year the Kiwanis Club of Grand Cayman celebrated its 40th Anniversary and Kiwanis International celebrated its 100th anniversary so it was a special year for us. Kiwanis celebrated with a Membership Drive/Awareness campaign early in the year, a 'Dress for a Cause' day on Friday July 31st and an All White 40th Anniversary Gala on the 21st of March at which we raised 4848. The money primarily went towards funding a new project. This project was a Kiwanis grant of \$500 which was donated to a Key Club graduate from the Triple C School and John Gray High School recognizing outstanding service. I hope to see this project develop and continue for many years to come.

Summarizing our projects this administrative year, with over 300 attendees Santa Landing 2014 was a delightful way start of the Christmas season. Santa and his helpers gifted all children with books. We had a successful Key Leader program in 2014 with 48 students and this year we had a record 67 students. Well done, a special recognition of Kadi, Linda and Marnu must be made for their efforts. We donated approximately \$1,400 towards the Eliminate Project. Our annual Pancake breakfast was well received and well attended this year, raising \$1082 all going towards our Buy a Kid Breakfast Programme.

The Key Clubs have continued to be successful and Dominique, as Lieutenant Governor impressed me with her dedication, you can definitely see her growth with this experience. At the 2015 Key Club District Leadership and Education Conference in Orlando, Florida she received three awards for her contributions as Lieutenant Governor. We raised \$7702 from Kiwanis Bike which all went towards our Key Clubbers. Our Kiwanians who participated as riders surely did shine, well done Marnu, Daniella and Martina!

Kiwanis launched the Bring Up Grade Programme at Sir John A Cumber Primary school this year; this is the second school in which we have this program. This program encourages students to focus on making small accomplishments at a time and it is aimed at students who are not always the highest achievers. On May 18th Kiwanis hosted a K-family fun day, the first since 2010. This day

brought together members from our 5 Key Clubs, Circle K and Kiwanians for a day of games, food and fun.

Kiwanis was chosen as one of the three charities to take part in the Island Heritage's Charity Day. We received a cheque for \$10,000 which all went towards funding the 2015 Key Leader.

Kiwanis Book Mobile received a facelift and additional resources with a generous donation of \$11,000 from RBC. We are also happy to have Ogier commit \$15,000 towards our Breakfast Programme; we received the first instalment of 5,000 in July. We are grateful to Nicola for facilitating this.

Kiwanis sponsored the Child Month Cupcake War working along with the Department of Children and Family Services and Youth Services Unit. President Daniella was invited to be a judge and it was something exciting and new for Kiwanis to be involved in, given our aim to make 40 donations in celebration of our 40th Anniversary this year.

I am happy to report to date we have made 46 donations, 21 of which were to our Buy a Kid Breakfast Programme.

In total this year we raised around \$83,600 and donated \$75,646 with over \$36,000 of that going to our Buy a Kid Breakfast Programme.

We installed 4 new members this year and hope that we have lived up to our commitment to them and are thankful for their service and efforts.

As I mentioned previously Kiwanis is celebrating its 40th Anniversary this year. At the beginning my presidency members were excited to set a goal of attaining at least 40 hours of service for this year in keeping with this theme. The following were recognized with certificates for their efforts in achieving this; Sue Day, Paul DeFreitas, Linda Chapman Key, Vene-sha McLean, Marnu van Rensburg, Monique Bush, Heather Lanigan, Daniella McGowan, Nicola Murray, Roger Bodden, Jodi Williams-Wisdom, Kadi Merren-Pentney and Ruud van der Pluijm.

Lastly, thank you to each and every one of you for taking part in a phenomenal year and continuing to dedicate your time to the kids of Cayman.

I know that Daniella is more than capable and ready to take on the challenges of this rewarding post and I only ask that you give her the same support you have given me.

Kiwanian of the Year 2015

At our Installation Brunch Past President Tonicia honoured a very special Kiwanian for her dedication to the Kiwanis Club over the years.

She can be described as our resident photographer and there is not a service project that she is not involved in in some shape or form.

She served as President from 1997-1998 and 2004-2005 and has been a member of the Kiwanis Club from 1989. Her dedication to service and the children of Cayman is truly admirable and PP Tonicia mentioned her gratitude for her support as her Secretary during her presidency.

Congratulations to Linda Chapman-Key on being awarded Kiwanian of the Year 2015.

#KidsNeedKiwanis

2015-2016 President of Kiwanis International, Sue Petrisin stated, "As we start this new Kiwanis year, I ask you to pause and remember why you first joined this remarkable organization. I joined to make a difference in my community. I bet that's why you joined too. Continue to make that difference. Re-energize those around you. Be the spark that helps children live better lives. Show the world what you are doing to help children."

At our Installation Brunch we decided to take our pledge and join the #kidsneedkiwanis movement. We downloaded our pledge cards and wrote our commitments for the coming year. We have posted these images on our social media, to share our photos. What are you doing to make your community a better place for children?

Remax Cayman donates to Breakfast Programme

For the third year in a row, as a part of their ongoing commitment to community service, Agents and staff of Remax Cayman Islands donated \$1250 to the Kiwanis Club of Grand Cayman's Buy a Kid Breakfast Program. Past President Tonicia is pictured here with Remax Staff including Past President (Ret'd) Scott Roe on her right..

Dress for a Cause Day

In celebration of Kiwanis Club of Grand Cayman's 40th Anniversary we had a **Dress for a Cause Day** on Friday July 31st. 2015 Various companies were invited to dress in our colours blue or yellow in support of our youth programs. Dart, the Cayman Islands Government, Cayman National Bank and a few independent individuals participated and through their donations these organizations can be satisfied that they have made a contribution to the youth of Cayman. Kiwanis thanks and appreciates you!

MORE ON DRESS FOR A CAUSE

Deputy Governor of the Cayman Islands, Mr. Franz Manserson hands over a DRESS FOR A CAUSE cheque from the staff of the Government Administration Building to Martina Jackson, past Key Club Lieutenant Governor and future President of our club.

Donation to Clifton Hunter High School

Kiwanis is proud to have joined with the Lions Club of Tropical Gardens to make a monetary donation to Clifton Hunter High School. This will assist with student lunches.

Foster's Food Fair IGA Punch and Play

Through this yearly initiative customers are offered the opportunity to choose a charity to which they can donate their prize winnings. We truly appreciate Foster's Food Fair for choosing Kiwanis as one of the charities for their donation program. President Daniella states "We are excited to put these funds back into our community through one of our Kiwanis projects."

Pancake Breakfast

Our annual Pancake Breakfast was held at Craft Restaurant on June 27th 2015. Guests enjoyed a short stack for a tall cause. We raised \$1082 and it was all in support of our Buy a Kid Breakfast Programme. We currently provide breakfast to students who come to school without. Seven Primary Schools on Island are supported.

Eliminate BBQ Fundraiser

Last year we held our first happy hour event towards Eliminate. This year we had a BBQ at Dukes on September 9th 2015. Guests enjoyed an all you can eat BBQ and a raffle prize drawing which included a tablet and speakers donated by Lime. We raised over \$1400 in support of the UNICEF and Kiwanis International project "Eliminate" the aim of which is to Eliminate MNT (maternal and neonatal tetanus) in 21 countries. This deadly disease steals the lives of nearly 49,000 innocent babies and a significant number of women each year.

Why do we do it? Because no one should suffer from a preventable disease, especially one that only costs \$1.80 to prevent.

Ogier sponsor Buy a Kid Breakfast!

We were very excited to receive a cheque from Ogier for \$5,000 in the first of three instalments to our Buy a Kid Breakfast programme. Ogier's Community Enhancement Committee announced earlier in the year that they would come on board as a sponsor; providing monetary donations to Buy a Kid Breakfast and supporting our other key projects with volunteers.

We look forward to this partnership continuing and welcoming them to our service projects. Pictured below is Rachael Reynolds and Giorgio Subiotto, both Partner's at Ogier presenting the cheque to Past Presidents Tonicia and Kadi.

Key Leader 2015

During the weekend of Sept. 25-27 at the St. Ignatius campus, 67 students, including six from Cayman Brac participated in the Kiwanis Key Leader retreat.

Kim White from Atlanta, representing Kiwanis International, was the lead facilitator, assisted Committee Chairperson Kadi Merren-Pentney and eight past leaders serving as student facilitators.

"This was my fifth year coordinating Key Leader and each year I learn something new about leadership, whether it's from the facilitator or from the students," said Ms. White. She was pleased that Kiwanis and local sponsors saw the value in supporting an event that can positively impact students and help change lives for the better. "I look forward to many Key Leader weekends to come," she said.

Students were taught the five principles of service leadership: personal integrity; personal growth; respect for yourself and others; building community; and the pursuit of excellence.

The event was offered to students for a fee of \$25 with the balance coming from the Cayman business community. Island Heritage donated \$10,000. St. Ignatius, Casanova Restaurant, Marriott Beach Resort, The Security Centre and Reliable Industries also came on board as sponsors.

Fish Fry Friday at Da Fish Shack

On October 16th 2015 we had our annual Fish Fry at Da Fish Shack. We raised \$332.50. The proceeds of which will go towards Kiwanis' community programs.

The poster features a large black silhouette of a fish skeleton on the left side. The text 'FISH FRY' is written in large, white, outlined serif letters at the top right. Below 'FISH FRY', the word 'friday' is written in a black cursive script. To the right of the fish skeleton, there are two circular logos: the top one is the Kiwanis International logo with a large 'K' in the center, and the bottom one is the Da Fish Shack logo featuring a fish and the words 'DA FISH SHACK'. An ampersand (&) is placed between the two logos. At the bottom right, the text 'Da Fish Shack' is written in a bold, black, sans-serif font. Below that, the date and time 'Friday October 16th | 5pm - 7:30pm' are written in a bold, black, sans-serif font. Below the date and time, the price '\$15' is written in a bold, black, sans-serif font, followed by 'Fish & chips or curried fish & rice' in a regular, black, sans-serif font. Below the price and food options, the text 'Take out or eat in' is written in a regular, black, sans-serif font. Below that, the text 'For tickets: president@kiwanis.ky | 925-2787' is written in a regular, black, sans-serif font. At the very bottom, the text 'All proceeds support Kiwanis Club of Grand Cayman's community programs' is written in a regular, black, sans-serif font.

#kidsCARE at Book Mobile

The book mobile welcomed some very friendly, furry visitors with the #kidsCARE team on 17 October. In their second visit to the book mobile, the team visited George Town Primary as part of their educational programme to teach children the importance of animals in the communities and world around them.

The kids had fun drawing with an animal needs activity and reading humane education books. Special guests Indie and Shadow also came and spent time with the children and were a big hit.

Coverage of our partnership also made the [news in the summer](#). Thank you to #kidsCARE for paying us a visit!

The six permanent Objects of Kiwanis International were approved by Kiwanis club delegates at the 1924 International Convention in Denver, Colorado. Through the decades, they have remained unchanged.

- *To give primacy to the human and spiritual rather than to the material values of life.*
- *To encourage the daily living of the Golden Rule in all human relationships.*
- *To promote the adoption and the application of higher social, business, and professional standards.*
- *To develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship.*
- *To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.*
- *To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.*
